

THE
LEEDS
CLUB

WEDDINGS AND
SPECIAL EVENTS VENUE

A WARM WELCOME

The Leeds Club is a fine example of Victorian architecture: built in 1820 in the centre of Leeds for the son and grandson of William Hey, a distinguished surgeon. Used as a private members' Club for over 100 years, this spectacular and unique venue oozes quality and elegance, and makes a perfect location for your wedding.

From your initial enquiry, one of our experienced wedding co-ordinators will work with you to make sure that your special day is everything you ever dreamed of. From arrival drinks, champagne and canapé receptions, to wedding breakfasts and blessings - all tastes are catered for.

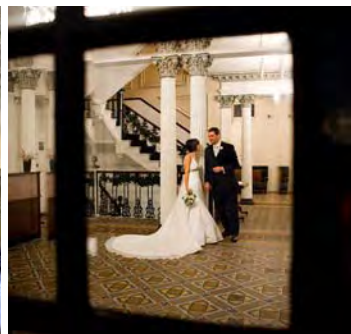

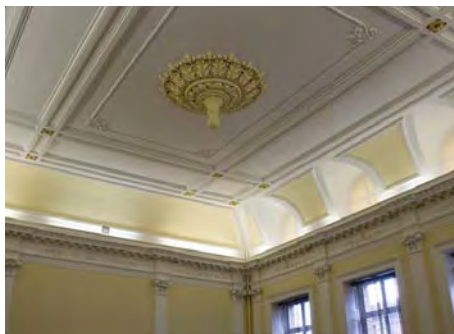

EXCLUSIVELY YOURS

Unlike many other wedding venues, you will have exclusive use of the building for your special day. With a dedicated team of staff and a totally bespoke and flexible service, you can be assured of a truly unique experience.

We pride ourselves on the personal service offered to our wedding couples, and thanks to a wealth of experience we know how to create a flawless day within the perfect location. What better way to give your fairy-tale wedding that wow factor than to take over a whole property!

DRINKS RECEPTIONS

A drinks reception is the ideal way to mingle with your family and friends - allow us to welcome you and your guests in our magnificent foyer. Our elegant reception, with its grand staircase, mosaic floor and chandeliers, provides the perfect ambience for your wedding party. Drinks packages can be created to suit your taste and budget - whether you choose the finest champagne, enjoy fruity cocktails or sip Summer Pimms, we can guarantee that your guests will be impressed.

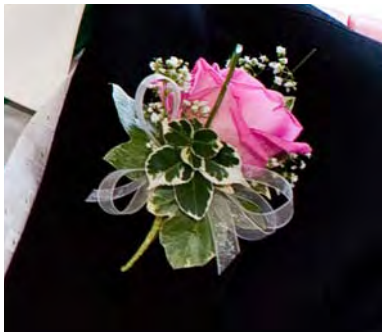

BLESSINGS

Whilst we do not currently hold a civil ceremony licence, The Leeds Club is the perfect venue for a wedding blessing. Set on the first floor, our beautiful ballroom radiates elegance. With up to 120 guests, you and your partner can enjoy a spiritual ceremony to seal your relationship in impressive romantic surroundings.

Although not legally binding, a blessing is a short ceremony that takes place after an official legal service. When reserving the venue for your wedding, you will need to check the availability of a celebrant to conduct your ceremony - we can help you to arrange this if you require.

WEDDING BREAKFASTS

With its grand fireplaces and floor to ceiling windows looking over the heart of the city, The Leeds Room offers a stunning classic contemporary setting for a fairy-tale wedding.

The Leeds Room accommodates up to 90 guests seated on either round or square tables, with a top table for the bridal party.

Guests can enjoy a delicious bespoke menu, followed by the speeches and cutting the cake.

EVENING RECEPTIONS

Holding up to 150 guests for an evening reception, the ground floor with its stylish bar is the perfect place for a boogie.

You have the flexibility to either organise your own DJ, or let us make the arrangements for you.

You and your guests can dance the night away in this romantic setting with a fully stocked bar until your special day draws to a close.

SMALLER CELEBRATIONS AND OTHER SPECIAL EVENTS

The Leeds Club is not only suited to large weddings, but is also able to accommodate more intimate ceremonies and celebrations.

The City Room can seat up to 18 people for an intimate private dining experience, and the Club Room can seat up to 40 people. So whatever size your wedding party, it can be tailor-made to meet your requirements.

The Leeds Club is not only perfect for a wedding reception, but is also ideal for other special occasions, such as birthday, engagement or retirement parties, bar mitzvahs, or any other event that you might be celebrating.

FOOD AND DRINK

With over 56 years experience between them, our catering team is skilled in preparing mouth-watering food to suit any budget.

Our Executive Chef is happy to discuss your tastes and create a tailor-made menu for your guests. In addition, if you have any special dietary requirements, be sure to let us know. We freshly cook all our dishes and can often alter them for your needs.

We offer an extensive range of fine wines to complement the flavours of our food. We can also create tailored drinks packages especially for you.

THE LITTLE THINGS

Wedding cake

We recommend that your cake is delivered to the venue on the day of the wedding. We can provide a cake stand and knife - please ask for further details.

Table linen

All of our table linen is crisp white. You may wish to hire chair covers and sashes, which we can arrange for you.

Menus, table plans and place cards

Please ensure that your place cards and table plan are delivered the day before your wedding. Menus can be printed for you free of charge. We are happy to lay these out for you so that you can concentrate on getting ready for your big day.

Master of Ceremonies

Our Banqueting Manager can make announcements throughout your special day, should you require.

Children

Children aged twelve and under may eat a smaller portion of the adult menu, or we can create a bespoke children's menu. Highchairs are available on request.

Florist

Please ensure that your florist delivers your flowers to the venue on the morning of your wedding. This will help to keep them as fresh as possible throughout the day. Please liaise with your wedding co-ordinator to arrange access times.

Preferred Suppliers

We work with a number of suppliers who can help make your day perfect. If you'd like us to recommend anyone, just let us know!

HOW MUCH WILL MY WEDDING COST?

We pride ourselves on the fact that we offer bespoke and flexible options for your wedding. We appreciate that every wedding is very different and we aim to meet your specific requirements and your budget. Therefore, we do not offer set price packages.

One of our dedicated wedding coordinators would be pleased to give you a bespoke quote - just ask!
